MEMORANDUM FOR : Colonel Leo P. Geary  
AFCIG-5 Room 4A1035  
Pentagon

SUBJECT : EC-135 Support of U-2C

1. Request that your office effect the necessary coordination with the Strategic Air Command for the utilization of a EC-135 and crew in support of the U-2C in-flight refueling modification test program.

2. It is Project Headquarters desire that the aircraft and crew be placed on TDY status to Edwards Air Force Base, California. The estimated date of the first test flight is 17 April 1961. Approximately two (2) dry flights and sixteen (16) wet flights totaling an estimated 100 flying hours will be required in a one month test program.

3. It is understood that the Air Force will provide the necessary funding for the aircraft, fuel, and maintenance support. Project Headquarters will provide for payment of all per diem and travel expenses.
